

CHECK*mate*

Downloading the Checkmate App to your device:

You will need:

iPhone OS device, iPhone, iPod Touch, iPad

Internet Connection

iTunes Account

The Process:

1: Go to the App Store by tapping the App Store Logo ...

2: Tap on the "search" button in the lower navigation bar ... and type in "CheckmatePro" for the iPhone or iPod Touch Version and "CheckmateHD" for the iPad version.

3: Tap on the resulting app and tap on the blue "FREE" button

4: It will change from "FREE" to "INSTALL"

5: Tap on the install icon and you will be asked to enter your iTunes password

6: Once done the Checkmate App will start downloading to your device

7: On completion position the Checkmate App in to a convenient position on your home screen
